**2.2 Area Workshops** - Two Area workshops will be held each year which are rotated among Districts selected to host the event one year in advance. The purpose of Area Workshops is to provide a forum to discuss the General Service Conference theme and workshop/presentation topics for the current year. The format may include panel presentations, round table discussions, A.A. speaker meetings, ask-it-basket panels, and open mike discussions. Time should be given for Area Standing Committees to meet. The Area Committee may also hold a brief Area Committee meeting in conjunction with the workshop in order to better serve the need for communication within the Area. If an Area Committee Meeting is scheduled, it will begin at 9:00 a.m. on Saturday. Workshops will begin at noon on Saturday and end at noon on Sunday.
