

Motion: That the Area 69 Guidelines be changed to read: “3.6 Registrar g. Updates the Area Directory after each Area Assembly. This document is for Area officer use only.”

Current practice: The Guidelines state: “ 3.6 Registrar g. Updates the Area Directory after each Area Assembly and distributes it to those on the Area's email list and print copies as requested.”

Reasoning: This document contains last names and physical addresses of past and present GSRs and other Area servants. There is a disclaimer on the document that states “THIS DIRECTORY IS NOT TO BE USED AS A MAILING LIST OR FOR ANY FORM OF SOLICITATION OR COMMERCIAL VENTURE”. There is no confidentiality statement or direction for sharing. While it is necessary to have this information as a way for the Area to contact members, if needed, we must respect the confidentiality of the members who supply this information. GSO maintains a database of similar member information for the purpose of contact by GSO, if needed, but does not distribute that information to anyone. We as an Area should follow that practice.

Cost: None
