2.2 Area Committee Meetings - Two Area Workshops will be held each year which are rotated among Districts selected to host the event one year in advance. The purpose of Area Workshops is to provide a forum to discuss the General Service Conference theme and workshop/presentation topics for the current year. The format may include panel presentations, round table discussions, Speaker(s) meetings, ask-it-basket panels and open mike discussions. The Area Committee may also hold a brief Area Committee Meeting in conjunction with the Workshop in order to better serve the need for communication within the Area. Workshops will begin at noon on Saturday and end at noon on Sunday.
