2.2 Area Committee Meetings - Two Area Workshops will be held each year which are rotated among Districts selected to host the event one year in advance. The purpose of Area Workshops is to provide a forum to discuss the General Service Conference theme and workshop/presentation topics for the current year. The format may include panel presentations, round table discussions, Speaker(s) meetings, ask-it-basket panels and open mike discussions. The Area Committee may also hold a brief Area Committee Meeting in conjunction with the Workshop in order to better serve the need for communication within the Area . Workshops will begin at noon on Saturday and end at noon on Sunday.
