Delta Community Center
Delta, Utah – Hosted by District 4**

Welcome Wade J., Area Chair: Meeting opened with a moment of silence, followed by the Serenity Prayer, Preamble, Anonymity Statement and Responsibility Statement. Area Officers and Past Delegates were introduced. Mike, District 10, read the 12 Concepts, short form. Area Committee Chairs were introduced.

Minutes of the 2014 Pre-Assembly Workshop - Wendy W., Area Secretary: Approved as read.

Treasurer's Report – Renae H., Area Treasurer: Dear Fellow Trusted Servants, It's always so good to be together at an Area 69 service event...to be able to celebrate the life Alcoholics Anonymous has given each of us. What a gift! I'm happy to report that the area's finances are in good order and appear to be right on track with the 2014 budget. As the Area 69 Treasurer, it's exciting to me to see where our final figures come out at the end of the year. Over the last several area panels, the area 69 Finance Committees have been working really hard to bring the area's budget into alignment with reality to what the actual income and expenditures have been over recent years. The 2014 budget was approved at \$29,215.00. As of October 31, 2014 the area expenditures total \$26,819.29. This is slightly over \$1,500.00 more than expenditures recorded at this same time in 2013, which totaled \$25,296.32. The total area income recorded to date for 2014 is \$25,804.71, compared to 2013's recorded total during this same period of \$23,995.64. These figures reflect an overall increase of \$1,809.07 above 2013. The area assembly voted and passed the 2015 Budget of \$29,665.00 at the Fall Assembly held this past September, and I want to thank all of those who were part of the panel 63 Finance Committee for their dedicated service and commitment toward this daunting task! Thank you for giving me the opportunity to serve you and this wonderful fellowship! In Gratitude and Service, Renae H. Area 69 Treasurer

Financial Report – Renae H., Area Treasurer: Approved as read.

Delegate's Report – Walter C., Delegate: I would like to thank District 4 for hosting this Workshop and I would like to thank all of you for letting me be your Delegate. Since I have been Delegate, the opportunities to grow have been tremendous and I am so happy to that I had this growth period. The workshop topics this weekend will be another opportunity to learn and grow. I am looking forward to the workshops. News from GSO (A.A.W.S. Highlights) The A.A. World Services Board is meeting this weekend at the General Service Office in New York, NY. However, here is the some information from their meeting in September. Manager's Report General Manager Phyllis H., reported that the response of the Fellowship to the opening of registration for the 2015 International Convention in Atlanta was tremendous. When registration opened at 9:00 a.m. EST on September 3, 2014 the system was overwhelmed. However, by late afternoon the website was functioning smoothly and over 10,000 folks registered before midnight! Phyllis also reported that, following the General Service Board's recommendation, we are moving forward with Phase One of the two year project to co-locate the General Service Office and the A.A. Grapevine offices on the 11th Floor of 475 Riverside Drive. Staff The 64th General Service Conference Final Report was delivered in three languages the last week in August. Planning for the 65th General Service Conference is moving along and we have started to receive new Panel 65 delegate information. In response to a suggestion from the Conference Committee, a new Forum Flyer is being designed and expected to be in use for the 2015 Forums. Packets containing completed 2014 Membership Surveys are arriving each day from area delegates. Responses will be tallied and reports will be provided to the trustees' Public Information committee at its November 2014 meeting. Technology/Communication/Services The Board approved the recommendation of the Technology/Communication/Services ("TCS") committee that the current A.A.W.S. Policy on G.S.O.'s A.A. website be accepted as presented with minor editorial changes reflecting a name change of the A.A.W.S. Committee with oversight of the website. It was noted that the TCS committee considered a request to add a La Vigne flyer to the G.S.R. Kit and took no action, noting that there has been no clearly defined relationship between La Vigne and the General Service Conference structure. The committee requested that the General Service Board clarify the relationship between La Vigne and the General Service Conference structure. G.S.O.'s Web Services coordinator attended the inaugural National A.A. Technology Workshop (held August 8-10, 2014 in St. Louis, Missouri) to meet some 50 trusted servants managing local A.A. websites and exchange ideas on using technology to carry the A.A. message. We were able to collect valuable shared experience to enhance G.S.O.'s previously limited sharing from local website committees. Publishing For the first seven months of the year, through July 2014, total gross sales were \$9,320,076 -- \$356,335 (2.4%) over estimate for the year to date. For the sales month of July, we saw \$1,172,740 in actual gross sales vs. the \$1,092,300 estimate -- \$80,440 over budget (7.4%) for the month. Sales in GSO's two Online Stores (bulk orders and direct-to-consumer sales) accounted for 53.23% of all sales in the month of July. For the year to date, web orders total \$4,655,015, or 51.5% of total sales. The fall 2014 edition of Box 4-5-9 has been distributed in English and French, with Spanish to follow shortly. The current issue features a front-page story on the 70th anniversary of Alcoholics Anonymous in Quebec, Canada. Also, a special trilingual publication, titled "A Brief History of the Big Book" (F-166) was mailed with the fall issue. This booklet covers, in digest form, the history of the first English, Spanish and French editions of Alcoholics Anonymous, recounting the stories of the publication of our basic text in each language. Finance The unaudited G.S.O. financial update for the period January 1, 2014 – July 31, 2014 reflected: Net sales \$9,347,800 Gross Profit (Literature) \$5,691,100 Contributions \$3,880,800 Total operating expenses \$8,804,100 At the Fall Election Assembly, we elected Panel 65 for Area 69. Congratulations to Renae our Panel 65 Delegate, Area Officers, and Area Chairpersons. Please see me some time today so that I can get your updated information. From A.A. Service Manual, Page S23. The Principle of Rotation: Traditionally, rotation ensures that service positions, like nearly everything else in A.A., are passed around for all to share. Many positions have alternates who can step into the service positions if needed. To step out of an A.A. office we love can be hard. If we have been doing a good job, if we honestly don't see anyone else around willing, qualified, or with the time to do it, and if our friends agree, it's especially tough. But it can be a real step forward in growth – step into the humility that is, for some people, the spiritual essence of anonymity. Among other things, anonymity in the Fellowship means that we forgo personal prestige for any A.A. work we do to help alcoholics. And, in the spirit of Tradition Twelve, it ever reminds us "to place principles before personalities." Many outgoing service position holders find it rewarding to take time to share their experience with the incoming person. Rotation helps to bring us spiritual rewards far more enduring than any fame. With no A.A. "status" at stake, we needn't compete for titles or praise – we have complete freedom to serve as we are being. Here are some personal thoughts from me. Being Delegate is a great experience that I will never forget. Although I am ready to rotate, I will miss being Delegate. I will be available to help in any way that I can, so Renae please let me know how I can be of service. The Guideline review committee and Newsletter Editor will be new experiences for me and I look forward to them. Change has always been difficult for me, but as I see it, it is just another opportunity to grow. Thank you for allowing me to be of service. Walter C., Area 69 Utah, Panel 63 Delegate

Remaining Area Officers Reports

Immediate Past Delegate/Newsletter - Keith M., Chair: My name is Keith and I am an alcoholic. I have been serving you as the Immediate Past Delegate and News and Notes Editor for the last couple of years. The absolutely best part of the editor position is reading your articles. The last and final issue has been completed. Thank you Christy R. the real worker of this committee. Walter will be the new editor and I am sure he will do a wonderful job. The position of Immediate Past Delegate is challenging, it's always best to wait to be asked to share your experience, strength, and hope, but sometimes I have to suggest my ideas. I hope I can rotate to the back of the room and sit with my fellow past delegates, holding my tongue. My relocation to the State of Washington on the Strait of Juan de Fuca will probably help. Yes, Jacki my incredible loving wife and I have purchased our dream home near where we both grew up. We are moving home to old friends and family, the only downside is leaving you my fellowship. I will miss you all greatly. I promise to return to hear your reports on carrying our message frequently and often. The SeaTac airport is only a two hour drive and a short one and half hour flight, so in real time I am closer. I love you all deeply. Thanks for my incredible life, I am truly blessed. Thanks for allowing me to serve. Keith M Panel 61 Delegate

Alternate Delegate - Doug R.: no report

Area Chair - Wade J.: Good morning my name is Wade and I am an alcoholic. Since the last report that I gave I attended the District w workshop at Sugarhouse park and I would like to thank District 2 for such a great workshop. I also had the privilege of chairing District 1 elections and as always I love visiting one of my favorite places in Utah, fall up north amazing. Next Sunday I will be visiting District 8 and as always I am very excited to see my friends in the Uintah Basin. Last month's elections assembly was amazing as always and thanks to all who attended. Thanks to District 4 for such a beautiful venue and all the hard work. Love in service, Wade J.

Bid for 2015 Fall Workshop – Matt D., Assembly/Agenda Chair: District 1 won the bid.

District Reports

District 1 – Erin B., DCM: District 1 Report 11-14 Wade J came and conducted District 1 Elections that were held on October 9th, 2014. Thank you Wade. John was elected for a DCM position and Wendell was elected into an Alt DCM position. Frank B the past treasurer stood and was re-elected into the treasurer position. However, he intends to find and railroad a replacement asap. Unfortunately no other positions were filled. So, the District 1 committee is comprised of 2 DCM's, 1 Alt DCM and a Treasurer. Our current DCM's are working hard to spread the message regarding the value of service in sobriety. Our DCM's have created an outreach committee whose primary task is to visit each group on the FNV, ensure that the group still exists and attempt to gather contact information from each group. This is a slow process, but we're making progress. In June District 1 had a workshop where a huge amount of literature was distributed through the downtown Ogden area. This literature was donated from District 11, Dixie Central Office and from our current Delegate. I am happy to report that there is one group in District 1 who received the literature and are working toward aligning their group with AA traditions. They have renamed their group and chosen an unaffiliated group name. I also met their new GSR earlier this week. I hope to visit that group next week. District 1 is having another workshop on Dec 14, 2014 at the Ogden Alano Club. We are hosting this workshop with District 11 and chose the Ogden Alano because it is roughly in the middle of the two districts. The topic of this workshop is service, obviously. The fellowship in District 1 would like to better understand the service positions within AA, so that is our topic. It has been a little tricky creating an agenda, due to the fact that there are so many positions. However, I now have an agenda and I will probably ask some of you to speak on the panel. That's about it from District 1.

District 2 – Linda, DCM: verbal report

District 3 – Jill H., GSR: District 3 held a workshop which was very successful but not very well attended. Upcoming elections in December 2014 we have many positions to be filled. We are working on getting a committee together for the Bridging the Gap for 2015. The groups in District 3 are doing well and AA is serving many fellows.

District 4 – David R., DCM: Hi my name is David and I'm an alcoholic. I'm the DCM from District 4. We hope ou all feel welcome here in Delta. Hosting this event is a big deal for us, we're just a little district.

District 5 – No report

District 6 – No report

District 7 – Kim K., DCM, John W, DCMC: Proud to be an alcoholic. Today is my AA birthday, 7 years of awesome, grateful sobriety. Lots of birthday celebrations last month. Watching our fellow members grow up in sobriety is such a joy. Kanab meetings have been going strong. Summer has come to a close and so has our tour season. It is a pleasure to be of service in magical Kanab. We have closed the Tuesday and Thursday 8pm meetings due to low attendance. A noon meeting on Mondays at the mental health center began October 2014. The Altered Attitudes group has made group contributions and welcome anyone to visit the awe inspiring red cliffs in Kanab. Thanks, love serving in AA love and unicorns, Kim K. October 11 District 7 elections were held. We have Annette for literature chair and Duane for alternate literature chair. The north sub-district DCM position was filled and our corrections chair wishes to stand for another year. The remaining service positions are still open to be filled. District 7 CPC/PI standing chair has been busy with literature and newspapers, radio and treatment centers and hospitals in getting information out including all libraries in our district. Some of District 7 committee members and standing chairs sat on the Oktoberfest committee which coincides in cooperation with Central Offices. The event went off with great success. 99% of all feedback was positive and attendees are looking forward to next year's event. It was a pleasure to serve on that committee and hope DCO continues the event. A lot of group members are purchasing our Utah AA History from our Area Repository Archivist. Meeting attendance with a lot of newcomers has been steady or increased throughout District 7. Some meeting with growing pains are working through those. The jails and correctional facilities including youth detention centers are working with our current corrections standing chair with getting meetings taken inside. Once again we would like to thank our wonderful currently serving delegate, Walter for chairing our District elections and giving the Delegate's report and workshop. Thank you for allowing me to be of service, John W.DCMC District 7.

District 8 – Teri H, DCM: Hi, My name is Teri, I'm an alcoholic. Serving as the DCM for District 8. Were dropping like flies!!! Our Corrections, Treatment and Grapevine are now vacant. However, November 9th were having our elections. Yes elections. They will be held in Roosevelt this year and were looking forward to Walter and whom ever he brings with him to come and help us out. On another note; All our meetings report they are doing well, paying the bills and contributing to District, Area and GSO. The attendance seems to up and down. Saturday night Survivors reported they had 46 people

two weeks in a row at their meeting. Red Pine has been attending this meeting too. In the rural area, this means a very packed meeting. Sunlight of the Spirit Meeting started up their speaker meetings again. They are having them once a month on a Monday night. Roosevelt group reports they are studying out of the 75 Anniversary BB and people are enjoying it. Primary Purpose Group are reading the stories out of the BB and people are enjoying this too. One member (Rosemary) celebrated 36 years of sobriety in September. The District changed their guidelines to adopt having the elections in November instead of September. The new budget will be voted on in November. That's what's happening in our neck of the woods!! It's good to be here. Happy to be serving. Thank you

We will be meeting at the Legacy event Center in Farmington. We have placed a deposit of \$175.00 FYI it is handicap accessible. Cooperation with the Professional Community (CPC) - Rachael F., Chair: Hi my name is Rachael and I have the pleasure of serving as the Area 69 CPC chair. Thank you district 4 for hosting this event. I am happy that this district is becoming more active in area 69. There is not much to report from CPC. I have honestly been spending my time working on PRAASA. As I have mentioned many times the committee has been working on the professional information packets, preparing and distributing. At one of our last meetings we discussed distributing Grapevines to professionals as well. I have Grapevines with me today if anyone would like to take them and start distributing them to professionals. I received the CPC activities report from GSO summarizing the outcome of the CPC items that were discussed at the General Service Conference. The email also stressed the importance of using the GSO website as a resource for professionals in the community. The site has a separate page dedicated to professionals. This resource can be used by committees or individuals who are interested in carrying the message to the professionals. Please take advantage of the resources available to us and help carry the message. I am sad and excited to be moving on to a new position. I have placed and order for pamphlets to pass on to Dave R. the next CPC chair. I know great things will happen in CPC during the next 2 years. Thanks for letting me serve Rachael F.

Corrections – Pete G., Chair: Hello, my name is Pete and I am an alcoholic. I am privileged to serve you as the Corrections Committee Standing Chair. Seems just a short time since we met in Salt Lake City and I am eager to meet in committee today for our final committee meeting for Panel 63. This Corrections Committee has been a special group of servants and it has been an honor to serve with them. At the beginning of September, I had the privilege to attend the National Bridging the Gap Workshop in Kansas City. It was a true pleasure to be able to go to this event with Andy B., the Area Treatment Chair. This is the second time in the last four years that Andy and I have attended the National Bridging the Gap and I know it won't be the last time we attend one together. Due to my (ahem) unique travel arrangements, I had to catch a red-eye back to Vegas late Saturday night and Andy was left to re-submit our bid by himself on Sunday. During the Natl. BTG workshop, it is always helpful to meet those members that man the Committee chair at GSO. I felt fortunate that this year Clement from the Corrections desk was sent to the Natl. BTG workshop. Clement had recently joined GSO and I had communicated with him when he was just beginning to get his feet under himself in this new assignment. It was great to meet him in person and his

knowledge of Corrections material proved to be very helpful to me, as he was familiar with one of the booklets that I had just been introduced to at PRAASA – Handbook for AA Groups that Meet on the Inside CF-36. More on that pamphlet later on in my report. One of the highlights of this years workshop (besides the tour of the Harley plant) was to learn that Clement had never been to a Cracker Barrel. We took the opportunity to have lunch with him at Cracker Barrel, along with the Chairperson of the National BTG workshop. Just a little something about how our higher power takes care of us... As you know, we approved a new video to be made to replace the 25 year old "AA in Correctional Facilities". Clement has many years in creating videos in an educational environment. We have an honest-to-goodness expert sitting at the Corrections Desk while a new video is being made for Corrections. A Amazing.I have a supply of Inmate to Inmate booklets that I have brought. I have no intention of taking them back to St George, so make sure you get what you need for your meetings. Same thing for the pamphlets, they look much better in your meeting than in my storage shed. The Fall 2014 'Sharing Behind the Walls' is available on the AA.org website. The AA.org website has a new look but this publication can still be found under the 'For AA Members' drop-down box – then choose Corrections Committee. Back issues of 'Sharing ...' can be downloaded also. At our Pre-Conference Assembly, I brought up the fact that AA has created a Handbook for Group that Meet Inside the Walls. My initial information had it that this booklet was available from GSO directly to the Group on the Inside. This is not the case. Actually the practice was stopped some time ago. The only way that we can get this handbook into facilities is if someone takes it in. I have electronic copies with me, I can send it via email to whoever needs it and it has been placed on our Area website. We are responsible to get this into the facilities. One Bridge came through the BTG@utahaa.org email. A request was made from the Area 06 CNCA BTG Coordinator to provide a Bridge to the Price area. Even though that is a dark District, I knew of a member formerly from the Tooele group who lived in the Price area. I contacted her and also used the Area Directory to find a GSR from the Price area that was willing to meet up with this prospect from California. All attempts by me to contact the prospect directly were thwarted by the HIPPA laws but I was finally able to leave two messages on her voicemail. Last I heard from the Price BTG team was that no one had shown up ... yet. As my glass is always half-full, I want to point out that AA was ready with at least two volunteers to meet a total stranger at 5-6 meetings. We have BTG contacts in Price and they are eager to become part of the BTG effort. I directed them to the utahaa.org site to download more info about our BTG program. For the first time during Panel 63, I have a little spare time to be able to travel. If there is anything that I can do to help your group achieve your Corrections or BTG goals, please contact me so that I can help. It tends to keep me sober. Trudgingly, Pete Gordon

Grapevine - Mark B., Chair: no report

Literature - Kurt J., Chair: My name is Kurt and I'm an alcoholic. My sobriety date is April 21, 1994. My home group is the Monday Night Men's Group in Logan, Utah. I am currently serving Area 69 as the Literature Chair. I have 9 copies of The Grapevine Daily Quote Book for sale. Remember that the 75 Anniversary Edition of the Big Book will only be for sale until the 2015 International Convention. I love Alcoholics Anonymous. I love general service. Thank you for my sobriety. Thank you for allowing me to serve. Kurt Jensen

Public Information (P.I.) - Treesa J., Chair: Good morning everyone. I have really enjoyed events hosted in Fillmore but may like Delta a little more. October 23 BYU hosted their "Mental Health Services Awareness Night." The volunteer said there were over 300 attendees and it was a great experience. A few supplies have been delivered to District 4 today. The literature rack will also be left for use. Less supplies to pass on for John W. to pick up. Have a great weekend and thank you for letting me serve Area 69 and sharing my journey. Treesa J.

Treatment - Andy B., Chair: Not much to report on. Although I'm not on the BTG Committee "yet", I've been helping to get a venue for the National Bridge the Gap workshop weekend, which will be held at the Best Western Landmark Inn next September 11-13, 2015. Plan on coming and supporting this event, preliminary panelist will be Rogelio Flores. A flyer is coming to an event near you soon. Thanks for letting me have this awesome experience of service. I have a treatment committee kit for a district who may want one.
