

## **MOTION**

Presented by Teri M., Area CPC Standing Chair: That the Area defray new incoming Area Standing Chairs and Area Officers to the Pass the Gavel meeting. By new I mean those that are not currently serving at the Area level. Pass the Gavel meetings only occur every other year and serves to welcome these people to their new positions. The maximum cost to the Area would be \$600.00 plus mileage, which would vary. This cost would cover 15 people at \$40.00 per night for hotel. Although I gave you the maximum cost, I believe the real cost would be much less. I say this based on the history of “new” incoming officers and standing chairs to have been 2 to 3 every other year.
