DISTRICT 2 NEWS & NOTES

February 2006

Meeting at the Wasatch Presbyterian Church, 1625 South 1700 East, Salt Lake City

GSR Preamble

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.. We realize the ultimate authority in A.A. is a loving God as he may express himself in our group conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship. Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our groups as a whole.

Is anyone qualified or willing to stand for DCM? No one stood

Since there are two major events this year and it is an even year District 2 will be sending one person to PRAASA and one person to the Regional Forum.

Walter stands to go to PRAASA for the district and Thom would like to go to the Regional Forum.

Question raised if we could send a GSR as well as a DCM since the District doing well financially? Motion called and passed Dawn G. and Sara stood to go. Sara withdrew since going last year. Dawn G. goes to PRAASA with Walter.

Regional Forum details discussed by Mike O.

Motion called to see if anyone would like to go to Regional Forum besides Thom. No one stood. There were no objections to Thom going to Regional Forum.

Doug R. took over and did a quick power point presentation on the guidelines. Will be voted on next month.

Mike O. asked if he could have twenty minutes at the February GSR meeting to go over a couple of things.

Officer Report

District Committee Member Chair

I am grateful for the opportunity to have attended the Feb. Area Committee Meeting in Salina last weekend. The District has the agenda items for the 56th General service Conference, and has the privilege of explanation for our Area Delegate tonight.

The events we are participating in early this year are a vital part of keeping A.A. strong and growing in our efforts to reach those who still suffer. As a trusted servant, it has been my privilege to carry many group's conscience to events as these, and report back as to the progress made. I thank everyone involved in helping in this continuing.

I noticed with the P.I. Committed I serve on, there are some matters that we do not have as full knowledge as I would have hoped. This was remarked to me by several others, also. From past experience, and from our Concepts and Traditions, we have been given some helpful tools to help those who are trusted to be a part of this process. My hope is that we as District 2 might utilize these as we go through some of the items perceived as vague or unclear as to their purpose. Through discussion and input, it has been shown we have an effective voice in not only the District, but Area as well as General Service.

Through common goals and open minded views, we all have the ability to carry whatever Group's voice we serve to these bodies, and serve our Fellowship as a whole with respect and dignity.
Love in Service,

Thom B.

Grapevine Chair

Hey all, Things are going well in District two, Smoking Sobriety hour received the grapevine and sold all of them. Old Fashioned AA at the Fellowship Hall is looking for a new Grapevine rep and that is all I have to report. Thanks for allowing me to serve. Love and Light.

Standing Chair Report Newsletter Chair

The 56th General Conference will take place this coming April. The final agenda items have been released. The full versions are available of the Area's web-site (www.utahaa.org) in both English and Spanish. A pared down version is printed in this newsletter. Please see page 8. These are the items that were discussed at the last Area Committee meeting February 18, 2006 in Salina. See page 4 for a full report by our friend Pete G.

Our Delegate will be here tonight to give us an overview

and to ask us to bring this information back to your group for their input. At the Pre-Assembly conference (March 17-19, 2006 in Ogden) we will bring what our groups have said to our Delegate. This is how he becomes prepared to represent us.

As the GSR of a group that has been assigned to the Treatment Facilities Committee I will ask that my group concentrate on those agenda items, of course if there are strong feelings or concerns on other agenda items I will encourage them to speak

up and to ask questions. The Area 69 group assignments for District 2 can be found on page 10, it also contains more information about contacting the Area Standing Committee Chairs for additional background information on each of the agenda items.

It is once again exciting to be part of this process.

Well not much to report, the Tooele group has almost completed their steering committee for corrections and the Bridge the Gap program, we have completed a workbook to use when bringing a meeting to the jail. The only other pertinent information is I have a couple of people who want to share their story at Volunteers of America, I will be getting with Wade to share the details.

February 18, 2006 - Salina Area Committee Meeting

I know I am preaching to the choir to those who are in service, but the fellowship of this program is amazing. There are few things as gratifying as being able to show up in a rural area such as Salina and immediately feel 'a part of'. Those who attended the Friday meeting at the American Legion hall in Salina received a special gift on this trip and it is our obligation to pass it on.

The Area Committee meeting, held in February of each year, signals the starting gate has opened. Two years ago, we set the date of this meeting back one week so the GSRs, District Committees, Area Standing Chairs and (most importantly) the Delegate could receive the information that we are expected to take to the groups. This meeting is almost exclu-

sively relegated to dealing with minimal Area business and maximum effort in understanding the changes that groups want to see or don't want to see.

This meeting opened with a moment of silence and was conducted by the Area Chairperson – Julie S. It was noted that there was no sound system available for the morning ses-

sion; no recording of the event and the event was translated to Spanish for the benefit of the Spanish speaking District 12 members (6).

Introductions were completed and it was noted that there was one new service-event attendee. She was welcomed with a hearty round of applause.

Joanne G., Area Secretary, read the minutes from the Area Committee Meeting in Vernal. They were approved and seconded.

Sherri P., Area Treasurer – provided the financial reports for 2005 and for 2006.

2005 total contributions were 19,934 and expenses were 16,635. It was noted that there was a \$300 typo listed and the financial statement for 2005 was approved as amended.

For 2006 – income to date was 3075 and expenses were 1200.

Please check the financial statement to find your group contributions to Area 69. District 2 had 35 groups contributing to Area 69 and had the second and third largest contributors to the Area. Way to go District 2!

Mike O. gave the delegate report. A copy of the entire delegate report is available on the Utahaa.org website and Mike will also be presenting at our District 2 February meeting.

District Reports.

District 1 – Eddy, DCMC, reports that they have 2 new DCM's, a Steering Committee based in Logan is functioning and that they need to fill their P.I. standing chair position.

District 2 – Thom, DCMC, reports that District 2 has over 70 groups on the books. We are short 3 DCM's. We have added the District Archivist position and it is being filled by Lana. District 2 will have a DCM and a GSR attending PRAASA and will send the DCMC to the Forum.

Our financial situation is good and the Bridging the Gap program is having some successes but needs a coordinator.

District 3 – John, DCMC, reports that they are holding a GSR workshop and anyone is welcome to attend. District 3 elects to place the BTG coordinator on-hold until further information is available.

District 4 and District 5 remain dark districts.

District 6 – Leroy, DCM, was tracking down some karaoke equipment so we could have sound, so James, the alternate DCM gave the report. They were happy to be the host of this event and they report that things are going very well in District 6. They have 4 GSR's.

District 7 – Stephanie, DCM, reports that 2 members of their district were attending PRAASA.

District 8 – Nadine, DCM, reports that they are getting a new group! They have a new District Treasurer, a new Corrections chair and have had one Bridging the Gap opportunity.

District 9 not available.

District 10 – Andy, DCMC, reports they have a new Grapevine rep, a new P.I. standing chair and have an alternate DCM designated for the Park City area.

District 11 – Bruce, DCMC, reports the financial situation is good in their district. They were visited by the Area officers in January. They may have one group that will fold. They have vacancies at their P.I. standing chair position, Treatment may be open and have 2 new GSR's. They have the host committee formed and they have one district member attending PRAASA.

District 12 – Miguel, DCM, gave a report for the previous three months. They have a new Dis-

trict secretary and have added a new meeting. They were thrilled to have the opportunity to be at this event.

Area Standing Chair Reports.

Janet – Archives. Janet has added new plastic storage containers to replace some cardboard containers that have been in use. She mentions that the ad hoc committee on Archive guidelines will meet in Cedar City Feb. 19.

Mike – CPC. Mike recently moved to District 5 and has decided to return to the Salt Lake valley. He is involved in creating a PowerPoint presentation that can be used to inform professionals about A.A. The 51st College of Midwives will be meeting in Salt Lake City in June at the Grand America hotel. Another opportunity will be the Native American workshop held in Bannock, Ca. in May.

Corrections – Richard. Unavailable.

Grapevine – John McG. The Grapevine circulation was less than the expected 104,000 subscriptions. The 1.7 Million dollars represented a 70% ratio on expenses. LaVina reported a shortfall of 107,000 dollars. There is a price increase for LaVina making the subscription price 9.00 dollars per year. The Digital Archives exploded from 1600 subscriptions to over 4000. At the end of 2005, there were reportedly 2500 Grapevine reps and 269 LaVina reps. Locally, John reports there are two new Grapevine chairs in District 2 and District 10. There is also talk examining the possibility of having a Southern Utah Grapevine rep for better coverage in the state.

Literature – Graham. He has visited several District meetings. His efforts on Bridge the Gap and hosting the June BTG event has taken much of his time. As an example to his un-

selfish dedication and love for his fellow alcoholic, Graham has decided to resign his position, effective April 1, in order to devote more effort and time toward his family and his career. It takes a lot of courage to do that, folks, and I hope when you meet him on your journeys you get the opportunity to thank him for his fine service to the Area.

P.I. – Leann. Distributing the pamphlet 'What AA does and does not do'. P.I. recently had a big success in carrying the message in District 1 and using the Utah AA website to assist shut-ins and visually-impaired. The P.I. committee is reviewing new videos and working to distribute these videos to public television stations. Area P.I. has developed and distributed a workbook for the District P.I. chairs to use. The contents of this workbook are also available on the Area website. Regarding the Area website, since June of 2004 there have been over 17,000 hits – with over 6000 unique hits amounting to a cost per hit of 2 cents. It doesn't get any better than that! The website boasts a new banner – please go check it out. For the visually impaired, the web committee is working to include a voice-content section and I'm sure our own Doug and James will have all the information you need on this new development. Also available are the minutes, agendas and flyers for download and distribution to the groups. Doug and James are working on a legacy packet to insure uninterrupted sobriety when the time for rotation comes about.

Treatment – Keith. Keith actually found a meeting in Tanzania, Africa. I forgot to ask him what District that was in. Keith reports activity in Treatment centers and with the Bridge the Gap program. Jay, our District Treatment chair, was given the list to pass around for BTG contact personnel. Please be cer-

tain to update this list with the most current contact information.

Roll Call.

District 12 – DCM, 2 GSRs and a Standing Chair.

District 11 – 2 DCMs, 1 GSR.

District 10 – DCMC, DCM, 3 GSRs and a Standing Chair.

District 8 – DCM.

District 7 – DCM.

District 6 – DCM, Alt DCM, GSR and a Standing Chair.

District 3 – DCMC, 2 DCMs, 3 GSRs.

District 2 – DCMC, 2 DCMs and 7 GSRs.

District 1 – DCMC, GSR.

There were 3 interested A.A.'s attending this event.

Alt Delegate – Ken B. Reports visits to Brigham City, Provo, District 2 and 10 and Bountiful. Promoted PRAASA.

Immediate Past Delegate – Jodi E. Reports a lot of work on tap before March.

Area Chairperson – Julie S. Reports that she attended group inventory in District 7 and she is also proud to be going to prison (and getting out). Per Area Guidelines, it is her responsibility to replace members of the Area Committee and the Standing Chairs when an unforeseen vacancy occurs. When Graham resigned, Julie referred to the ballots from the Fall Elections of 2004 and found that Pete G. had come in second on the Literature vote in the fourth ballot. She contacted Pete and found he was still willing to stand for the vacated position. Pete will be working closely with Graham in the remaining time to assure a smooth transition during this critical time before Conference.

Ad hoc Committee on Archives report – Janet H. Janet reports that Mickey H. has stepped down from her position on the ad hoc committee and that Shirley O. has made herself

available to take Mickey's place. Janet reported that the Archives ad hoc committee will meet Sunday Feb. 19 in Cedar City to renew contacts with other Areas and to visit the Archives.

Motions.

A motion has been moved and seconded to create a Special Needs committee at the Area level. Background information should have come in the mail with other GSR information. The basics are that this committee will serve the elderly, remote A.A.s and other special needs members. The annual budget for this committee is suggested to be \$300.

Discussion on this motion was generally unfavorable. From the discussion at this event, it seems that some members feel that this sort of work should be carried out at the group level. It was noted that travel defrayments will need to be examined and more information is needed from the Area Treasurer.

Leann L. reported that Special Needs currently are being directed through the Central Office and cited the recent involvement with the evacuees from Hurricane Katrina as a prime example. Central Office got the initial call and funneled the request through the Area P.I. chair, who then resorted to contacting members that were willing and able to assist the evacuees.

Thom B. reported that District 2 had an Accessibilities Chair but did not use the budgeted amount of funds available for this position. Thom suggested a Special Needs Coordinator position may be more useful.

Jodi E. shared that GSO has had this on the radar for a long time and their position was that the Special Needs serves under the P.I. committee.

John (DCMC District 3) gave some price examples relevant to this discussion. It costs 6.50 for a Big Book, 22 dollars for a tape and over 40 dollars for a Braille version of the Big Book. He noted that Central Office had much of this literature already.

Motion to accept the translation equipment at Area level submitted by Ken B.

Discussion included the fact that it has already been given to the Area. It was noted that we already have Spanish-based literature available for use.

Sara N. asked who in Area 69 will be responsible and will transport equipment.

Ed asked where the translators will be secured from and it was suggested this may require a second motion to address this issue.

Keith M. noted that there should be monies set aside to be used

for maintenance of the equipment and for replacement of headsets when they are broken. Thom B. asked if the cost of the batteries was too high.

Eddy (DCMC District 1) withdrew his motion to make the Area Web servant a Standing Chair. Although there was much discussion on this issue and a subsequent motion was discussed – it was unclear who had seconded the original motion. Area Guidelines stipulate that a motion may only be withdrawn if the originator and the party who seconded it withdrew their second. No further discussion or decision on this matter can take place until the person who seconded it is identified.

An ad hoc committee was formed to take this matter under advisement. The ad hoc

committee will be headed by Leann L. and will include Charlie G., Alberto, Sherri P., and Doug R.

At this point Mike O., our Delegate, began the overview of the Conference agenda. As he will be presenting his information at District 2, it is redundant to include this info in the minutes of the Committee meeting. Please take it upon yourself to gather as much information as possible to inform your groups of the items that are of peak interest to them. An informed group conscience is impossible if we don't supply the groups with the best information possible.

Please rely on your District and Area Standing Chairpersons as a resource.

Did You Know?

Your Group is assigned to a Standing Committee

Therefore your Group's General Service Representative is invited to bring their agenda items to their group for their discussion. For example the 5:15 Happy Hour Group is assigned to Literature. Sara, the 5:15 Happy Hour GSR would be encouraged to bring the Literature Agenda Items to her group for their discussion.
