GSR Preamble

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.. We realize the ultimate authority in A.A. is a loving God as he may express himself in our group conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship. Let us, therefore, have the patience and tolerance to listen while other share, the courage to speak up when we have something to share, and the wisdom to do what is right for our groups as a whole.

(Reprinted from Box 459, vol. 35, no. 4, Aug/Sept 1989)

Motion on the Table

"That, effective with the next panel, District 02 mail or e-mail the newsletter to all registered GSRs, District Officers, Standing Chairs and relevant Area Officers.

"Distribution will occur after the GSR meeting agenda is set for receipt two to three days prior to the GSR meeting."

District Committee Member Chair

We had our first meeting at our new location, which ironically is called "Fellowship Hall" same name, new place. It is really beautiful, plenty of space and time to plan events we couldn't at the "old Fellowship Hall". However we have to be grateful to our hosts there, who for many years provided a safe and reliable location for a very reasonable price. I also want to thank "Bitchin Brew" for their kind offer to have us there too, it was a difficult decision. Finally I want to thank Doug R for all his hard work doing the ground work, we would not be here without him, and you wouldn't be reading this without him, he is both our new Newsletter Standing Chair and the Area Web Servant as he wishes to be called, District 2 is extremely lucky to have him aboard.

On October 9, we had our second workshop in cooperation with Districts 10 and 3. Scott M, GSR of "6:40 New Yorkers" and Alt DCM elect, fulfilled his commitment to District 2 as our representative and did a great job. James H shared his experience with CPC/PI and Graham L of the area stepped in when Taylor K our Treatment Chair was out of town. Again District Ten generously hosted the event in Midvale. The theme of the workshop was "GSR Service" and our Mark GSR of "Honey's" shared his experience on moving from GSR to a Standing Chair position. Of course Jodi E our delegate was there to share her vast experience and insight with us. It was well attended and well planned. Mike A, DCMC of District 10 and Mary B, DCMC of District 3 are also to be credited putting together this workshop.

As you know we did not do well in filling all the jobs needed to do what you want done in the district, hopefully we will have a more generous response this Thursday. I think it is important to help and support our new DCMC Tom B who has proven himself a tireless and dedicated worker, for the next two years. Service is not easy, it's thankless and time consuming and only a few are called to give at this level. As I shared at our election meeting, to paraphrase a famous quote, "for AA to fail is for good men and women to do nothing". Our lives are so short and as I enter deeply into the winter of my life I want my sobriety to mean something. I don't want God to look me in the eye and say "What did you do with the gift I gave you?" and for me to reply "I buried it because I was afraid."

Proposed Amendments to Guidelines

Per the District 02 Guidelines, page 12, GUIDELINES AMENDMENT PROCEDURE:

“Any proposed amendment to these GUIDELINES, must be submitted by a District 2 voting member in writing to the DCMC or sitting DCM at least 7 days before the next DCM meeting. The chair will have the proposed amendment on the agenda and available at the following GSR Meeting. If the proposed amendment is passed by at least a 2/3 majority of those present, according to Election Procedures, it will go into effect at that time”.

The following four Amendments/Additions to the Guidelines have been submitted and need to be voted on:

- “That, due to the fact that there is currently no procedure in place for handling motions at the district level, District 02 adopt the following adaptation from Appendix D of the Area Guidelines:

DISTRICT MEETINGS STATEMENT OF PROCEDURE

Purpose

The purpose of this Statement of Procedure is to provide consistency in the manner in which District 2 conducts its meetings, allowing business to be conducted as informally as possible consistent with the rights of all participants.

1. Chairperson’s Responsibilities

- a. The chairperson is responsible to see that each meeting is conducted in an orderly fashion following the printed agenda. The chairperson may announce changes to the agenda and ask for a majority vote to approve. Significant changes to the agenda shall require a two thirds majority.
- b. The chairperson at any time may call for a “sense of the meeting” to facilitate the proceedings.
- c. The chairperson is responsible for scheduling time on each meeting agenda for new business to be brought before the committee.

2. Types of Motions

- a. A Housekeeping Motion affects only the group who is voting on it and never has any direct effect on the District Budget or Guidelines nor will it affect individual AA groups, the Area, or AA as a whole. Example; Where the meetings are held, procedures that effect only that meeting, how many breaks to take, when to have the next meeting or adjourn, etc.
 - i. A Housekeeping motion follows all procedure for standard motions below except items b and c unless it is referred or deferred in which it needs to be written down. If there is no discussion, the chair may call for a vote immediately. Housekeeping motions require a s taken and passes or fails with no discussion. If 2/3rds majority is requsimple majority to pass. If there is considerable objection to voting by simple majority, the chair may call for a simple majority vote in order to determine if a 2/3rds majority vote is needed. If simple majority is needed, the vote iired, the vote is taken based on the procedure set forth in Section 5, “Voting Procedures”.
- b. A Standard Motion is any motion that any direct effect on the District Budget or Guidelines, individual AA groups, the Area, or AA as a whole.

3. Procedure for Standard Motions

- a. A motion can be made by any voting member recognized by the chair at an appropriate time in the meeting agenda.
- b. All motions must be read from a written copy which is then passed on to the recording secretary and may be presented in the newsletter.
- c. When applicable, the text of a motion should be accompanied by a statement of the current practice, and the budget impact if passed.
- d. All motions require a second for further action.

- e. The chairperson at his/her discretion can Entertain the Motion, Refer the Motion to an appropriate committee for study, or Defer the Motion till the following meeting in order for GSRs to get their group's conscience.
- f. Following the chairperson's entertaining of a motion, a discussion is held where members of the meeting, when recognized by the chair, may address the motion, propose amendments, move to refer it, move to table it, or move to call the question.
 - i. A Motion to Amend requires agreement by the originator of the motion; in the absence of such agreement, the proposed amendment fails; depending upon the outcome of the motion to amend, discussion then continues either of the original or the amended motion.
 - ii. A Motion to Refer is the motion of suspend discussion and consideration of a motion until the next meeting, and send it to a committee for the committee's study and recommendation; requires a two-thirds majority. If the Motion to Table fails, discussion continues.
 - iii. A Motion to Table is a motion to suspend discussion and consideration of a motion until the next meeting; requires a two-thirds majority. If the Motion to Table fails, discussion continues.
 - iv. A Motion to Call the Question is a motion to end discussion so a vote can be taken of the current motion; requires a two thirds majority and it cannot be debated. If the Motion to Call the Question fails, discussion continues.
- g. Unless tabled or referred to a committee, following the discussion, the chairperson calls for a vote on the motion.

4. General Rules of Discussion

- a. People who wish to speak raise their hands and are called on in order.
- b. The chairperson has the prerogative to set a fixed time limit for each speaker.
- c. If the discussion begins to exceed the time allotted to that topic on the agenda, the chairperson may exercise his/her discretion to establish a cut-off point or take a sense of the meeting to extend the discussion.
- d. No speaker may speak for a second time on a topic until all who wish to speak have been given the opportunity.
- e. Good meeting etiquette requires that each speaker make an effort o limit their discussion to points of view that have not previously been presented as opposed to restating opinions already expressed by others.

5. Voting Procedures

- a. The motion along with any accompanying text is restated by the chairperson.
- b. The chairperson has the choice of conducting a voice vote or voting by show of hands.
- c. For a motion to carry, a two thirds majority vote is required.
- d. When a motion passes or fails, members of the minority opinion may speak to their opposition, but may not move for a new vote. Following the minority opinion, the Chairperson asks if anyone on the prevailing side wishes to change his/her vote and make a Motion to Reconsider.
 - i. A Motion to Reconsider requires a second and only a simply majority to pass. A new vote on the original motion is held without discussion.
 - ii. No motion may be reconsidered twice.”

District Two September 2004 Election Results

Thom B. is the new DCMC. George R. stood for DCM. Walter C. stood for DCM. Pete G. stood for DCM. Wade J. was also elected DCM in absentia.

Scott M. stood for Alt. DCM.

Mark P. stood for the PI/CPC chair. Jay G. stood for the Treatment chair. Taylor K. stood for the Grapevine chair. Bill R. stood for the Corrections chair.

We still have vacancies for two DCM's, 5 Alternate DCM's, Corresponding Secretary, Recording Secretary, and Literature Standing Chair.

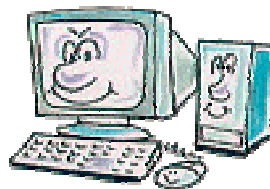

PI/CPC Chair

At last month's elections, Mark P. was elected to be my successor at the turn of the year. I'll be transferring over my literature and information to him very soon. I know Mark, and he is an exceptionally capable and committed member of the fellowship. I know he will do a great job. Over the next month, I will be wrapping up some promises to various professionals in the community, getting them literature they have requested, letting them know that I will be moving on, and getting them new contact information. Over the last two years we've had several projects which have come to fruition, and I'll be putting them together as part of a legacy package which can be passed on to the next chair.

Thank you for letting me be of service.

Corresponding Secretary

Help Wanted

CORRESPONDING SECRETARY –

The time, energy and willingness to serve the District. A background in HOME Group and AA Service at District level. Suggested 2 years of continuous sobriety.

Do you have the desire to attend all District workshops, Area events and DCM meetings? Will you keep accurate and up-to-date attendance in a special organization that adheres to anonymity? Can you issue a copy of the District guidelines to new GSR's? Apply at the District elections this week!!!!

Your help is needed by December 2004. That is the time when my term ends as Corresponding Secretary ends. I am thankful for the opportunity to serve the District in this capacity and regret that, as in all AA positions, just about the time I feel comfortable in the position it is time to give it up. Actually I am very lucky in the fact that I spent almost three years in this position and am grateful to the District for putting up with me. It has been an honor.

District Activities

If you received a notice that the GSR and DCM meeting have moved from Fellowship Hall to the Wasatch Presbyterian Church, then your information is accurate. I took the opportunity to mail out postcards to all members who had provided me with an address. I also E-mailed those who have provided me with a valid E-mail address. If you have not received a postcard over the last week from me, please contact me after the meeting to provide your name and address. This will become especially important should we decide to mail out the Newsletter in advance of the upcoming GSR meetings. I look forward to making any changes necessary to make certain that your correspondence is sent to the proper address.

District Elections

A complete rundown of the District Elections is located in this newsletter. I want to focus on the positions that were not filled. The opportunity to serve AA comes in many forms. I have watched, with delight, many GSRs decline to serve in a District position because they felt that the group is the most important service obligation that is available. I agree. Many of our positions that are still open, however, are available to those GSRs and others while still serving the group. The Alternate DCM position is a fine example. A GSR or Alt GSR may continue to serve the group and serve at the district level at the Alt DCM position. Each oven may vary, but the rewards well outweigh the extra work involved. Many of our Standing Chairs were also GSRs or Alternate GSRs. Ask them how it was to have the opportunity to serve at the District level and serve their Home Group.

Thank you for the opportunity to serve.

Pete G District 2 Corresponding Secretary Report
dist2corresponding@utahaa.org

Literature Chair

My name is Pete and I am an alcoholic. If anyone is interested in truly reaching out and helping others while helping yourself, I have the opportunity for you. My term as Literature Standing Chair will be over at the end of this year. It is the type of AA service position that requires the ability to have fun, meet other alcoholics, non-alcoholics and to feel a part of one of.

Activities

In moving to the Wasatch Presbyterian Church for our GSR meetings, I noticed that we left the racks behind at Fellowship Hall. I need to consider ordering new racks for our use at Wasatch Presbyterian Church for the meetings that we have here.

In addition to that, new racks are almost always welcome. I continue to purchase \$50 per month of AA at Central Office for distribution. I look forward to passing on these racks to the next District 2 Literature Standing Chair. It is an awesome service position.

Thank you for letting me be of service. This position has given me the opportunity to pay it back many times and I look forward to some lucky soul getting this same opportunity.

Pete G - District 2 Literature Standing Chairperson
dist2_literature@utahaa.org

Newsletter Chair

This Fellowship has given me so much, it's time that I start giving back! It's an honor and privilege to serve District Two.

My only hope is that I can do as good of a job as Paige has done for us in the past. We owe her a great deal of thanks for the hours that she has spent preparing the District's 'News and Notes'. Thanks so much Paige.

I believe that we need to carry on the tradition of having the District's Officers and Standing Chairs submit their reports for inclusion in this newsletter. If there's anything else that you would like to see in your newsletter please let me know!

Reports, suggestions and comments can be emailed to me at dist2_newsletter@utahaa.org. Please submit them in the form of a Word or WordPerfect document or as plain text.

If District 2 chooses to accept, we have been 'selected' as guinea pigs to test the Area 69 District Email Service. Each Officer, DCM and Standing Chair has an "@utahaa.org" address, see "Currently Serving" on page 11. These new accounts have been setup to anonymously forward to those who have existing personal email accounts. Please see me for more information on how you can utilize these new email accounts.
