**Intergroup Ogden** – Intergroup – Mike Meeting 06-08-11.

Our meeting was opened with a moment of silence, for the still suffering, at 6:30pm. Prior to our meeting's beginning Rob B. called to tell us he would be unable to attend our evening gathering. The indubitable Frank B. was asked to read our Fellowships 12 Traditions, and while Frank's dossal tones breezed effortlessly through 1 to 12, a basket was passed in honor of our 7<sup>th</sup> Tradition of self-support. Mike L. then read the CO Financial Statement, Mary C. read the minutes from our last IGR meeting, and Bob M. read the CO Report.

Frank B., DCMC for District 1, looking a little grayer about the edges, some thought, read from a prepared statement and brought us up-to-date on District 1, and Area 69 activities.

Our lone IGR Thom R. declined the opportunity to stand for one of the two Steering Committee openings. Ron C., "Coop", from District 11, emailed CO with the announcement of a new ASL, American Sign Language meeting being held on Wednesday's, at 7:00pm, at 567 West 2600 South, in Bountiful, at the Backstreet Club. Twiggy, CO's emissary to the Valley Camp Board Meeting, then took the floor and held all in rapped attention. Valley Camp is willing to allow CO to have space for this year's CO Extravaganza. Dates need to be worked out, and hopefully, by our next IGR Meeting, July 13<sup>th</sup>, some direction will be secured for our rudderless boat.

Phone Parties were discussed briefly, and then, as is customary, we formed a small circle, and recited our beloved Serenity Prayer, while holding moist hands.

**Corrections** – Gunnar – There is not much to report this month. The two Weber County long time volunteers have both returned from absences. We are still in need of women volunteers. I got to a few jail meetings this month, but was also turned away a couple times also. I have received a few Bridge requests. The new system works well with special worker Bob as a facilitator. I am looking forward to attending the Area 69 Bridging the Gap Assembly in Roosevelt this Saturday with Kate from Cache County. I was interested in seeking some gasoline defrayment for this event from the corrections budget. That is all I've got. Thank you for allowing me to serve.

**Grapevine** - Paul – Hello. As usual this time of year is in full swing with activities. And I have been busy with work on both regular and over time shifts, as I have turned into a trainer. Thus I have been called in on the spot several days off, having just put in 96 hours straight.

I have attended one to three meetings a week through out our District.

Thank you for letting me be of service.

**Treatment/Bridge the Gap** – Scott H.  
6/8/11

Greetings all.

I was able to speak at Blue sky recovery on Sunday a couple of weeks ago as I stated in last months report. What a treat and reminder of so many things as I waited and then talked during with the group that attended. The morning topic was geared around alcohol/drug that had people with a various of different problems, charges a lot from D.U.I .

Right up my alley. The half hour talk was turned over to quarter and a after. I was supported and help from Dave the counselor that ran the session. Great questions were asked and the discussion even went to the solution of how to avoid the driving while drinking. Or better yet not at all. I thanked them tremendously, and they asked id I could send someone again. I left more info. and I am trying to get a speaker for this Sunday at 10 am. Please let me know if you could do that. It was a great experience for me.

I stopped by New Horizons. I wasn't able to talk to the director personally but left my card and will be back next week.

The Bridge the Gap announcement at the meetings has been great. Surprisingly so. Questions like how they could help and how the program actually works. My pitch is if you're not fully committed on getting into service work yet this is an easy way to do that. Fill out the paper work send it in and wait for a call. Then we'll get them to Brigham City District Meeting. We already have a seat waiting for them.

Tues night I was able to attend the drug court graduation celebration at W.H.S. auditorium. Judge Decario residing and entire staff, councilors, administrators, and clerks. Each recipient spoke while receiving their diploma. Every Alumni that spoke talked about how and what to do now as they integrate into society. Get a sponsor, attend meetings, get in a home group, use the tools they were taught. Families, friends and supporters filled the room. 1 in particular I was in prison with over 3 years ago. He is 20 months sober, attends meetings. And is a valley camp alumni as well. It was nice to see some others that I see at other

A.A. meetings, on their way to happy destiny.

I will be stopping by more treatment centers this month, to check in and see if there is anything we can add and offer from us at A.A.

Thanks as always guys for letting me be of service.

**C.P.C. - Literature** – **PI** – Open --  
Need positions filled

**Treasurer** – Teddie - Two groups and the basket donated \$68.32 last month. We spent \$249.81. The balance is \$611.61 over the Prudent Reserve.

Thanks for letting me be of service to you in District 1.

**Elections** were opened for 3 DCMs, 6 Alt. DCMs, C.P.C., Literature, and PI Chair Positions. No one stood.

**PLEASE TAKE THIS BACK TO YOUR GROUPS.**

**Old Business** – Frank made a motion for defrayment for a DCM to attend the Special Forum. Kate 2<sup>nd</sup> the motion. Cathy A. will represent District 1 at the Regional Forum in August.

Post-Conference Assembly Report – Erin B. – It was wonderful to spend the weekend with those seeking solutions and fulfilling our primary purpose. Naturally, District 1 was well represented. There were many notable things shared including, but not limited to:

Area 69 Treasurer would like to email group contribution receipts rather than snail mail them. He asked if we would include an email address with our contributions.

Alcoholics Anonymous will be available in E-Book format sometime between August and October. If people purchase the books from the AAWS Website 100% will go to AA. If purchased from I-Tunes or other sites we will have to give them a percentage of the cost.

Area is conducting a guidelines Review. Alt Delegate asked us to read Area 69 guidelines on the utahaa.org website and email any suggestions to him or immediate past delegate.

PRAASA 2015 will be held at Davis Convention Beaune, Hilton Garden Inn. The conference will conduct a traditions inventory.

The Literature committee will create a pamphlet on spirituality that will include stories from atheists and agnostics.

**New Business** – Keith M. – Area Delegate, handed out pins and explained what they meant. He also handed out a condensed version of the agenda items from the GSO conference.

District 1 will be hosting the Post-Conference Assembly in May 2012. A committee needs to be formed.

However due to time, this was tabled until next month.

**Open Discussion – GSR's** - There was no time.
