IGR Meeting August 10th 2011

Prior to our meetings commencement Ann J., and Frank B., called to say they would not be in attendance. Frank, too, said that DCM, Cathy R., would read his District 1 report.

Our meeting opened with a moment of silence, “for the still suffering alcoholic,” at 6:30PM. Chuck P. read our Twelve Traditions, and, as they were being read, a basket was passed, in honor of our Fellowships 7th Tradition of self-support.

Mike L. read the CO Financial Report, Mary L. read last months Minutes, and Bob M. read the CO Report.

Tom R., Stone of Sisyphus’ IGR, read Frank’s/Cathy, DCMC/DCM Report. No takers on the three positions remaining open on our CO Steering Committee.

Eight Hundred dollars was deposited into CO’s Prudent Reserve.

District One’s District Meeting will be before the IGR Meeting next month.

Speakers haven’t yet been secured for the CO Speaker Meeting at Valley Camp, September 3rd, 5325 North, North Fork Road.

Mike L. reported that the “Chilly Chile’s” menu is open for additions & deletions, and anyone interested in participating in this February 2012 Event, can attend Tuesday Morgan Group’s 8:00 meeting, in the Court House Jury Room, on Tuesday’s, in Morgan, Utah.

On that “One Day At A Time” note, the meeting was quickly closed with our much beloved Serenity Prayer.

Corrections – Gunnar – I received a bulk pack of old grapevines purchased with pink can donations which I distributed to Logan and 12th St Jail. I have been to one regular women’s meeting on Thursday nights. The jail folks are clamoring for Daily Reflection books.

I have set up a couple of bridges coming up next week.

And I have been in touch with the other guys going into Weber County Jail and nothing is new with them.

Grapevine - Paul – Excused

Treatment/Bridge the Gap – Scott H. Greetings everybody, my name is Scott and I am an alcoholic. Here is my report for this month. as treatment/ bridge the gap chair person

Tues night I finally made a formal, emotional visit to the A.C.T. at Ogden regional hosp. I was welcomed, greeted by Toni whom I know from meetings and then referred to Scotty. What a pleasant surprise to see the Scotty I know from Valley Camp. What a treat. I did my usual introduction and why I was there, and had to offer. A great deal of our conversation was on the bridge the gap program we are trying to make stronger. He explained his knowledge and understanding of the program and asked questions as they arose. I also told him about the confidentiality of the phone list being compiled for Bob at central office. Information was left, applications for both new comers in the facility as well as temporary contact apps. As I told you 9 mos. ago my alumni status at some of the treatment facilities would be reinstated. I had such a warm feeling walking through the doors knowing I was going in with the idea of helping another alcoholic. Not the same way nearly 4 yrs. ago that I had entered at that time, being transferred out of I.C.U., then downstairs to attend the ACT program. I struggled terribly with learning to read and write, walk, speak, I wasn’t able to complete their program. I did get my 30 day chip and was so warmly welcomed back to Valley camp, that I’m again reminded of my gratitude for the whole process that I and we the fellowship went thru.

A wonderful stop this morning at Metamorphosis Ogden, Inc. I had a little inside information on the facility having talked and worked with someone in our fellowship and theirs.

They provide detoxification, methadone maintenance to the public. The treatment center provides outpatient care. There are special groups and programs for person with co-occurring mental and substance abuse disorders. Special language services provided for the hearing impaired.

It is mandatory that clients attend counseling while being treated. There is also counseling for family, friends also. Alan one of the counselors I spoke w/ gave us a shelf in the front office to display our AA literature and pamphlets. He also has meeting schedules and refers clients to the fellowship regularly. Thank you for letting me be of service, and also thanks for another wonderful dinner.

Scotty

Good Evening My Fellows.

Last month the 7th tradition basket collected \$28.00. Four groups sent contributions this past month for a total of \$303.28. Contributions totaled \$331.08, which I deposited into the District One Fund bank account.

As you can see, \$81.25.66 has been paid out. These expenses include \$15.00 to the BC Alano Club for rent and \$60 to the Central Office in Ogden for services. Printing expenses to Sue C. was \$6.25. The checking account now has \$733.73 above the \$2000.00 prudent reserve. Please share with your groups that District One greatly appreciates their support.

Thank you for allowing me to serve District One.

A motion to accept the financial report was made by Cliff and Erin 2nd.

Teddie also asked if we are in line with Central Office expenses. Frank will check with Central Office. Frank ask if everyone was receiving their Pass It On. Sue will turn in a list of those not getting theirs.
