

March 31st 2011

- Preamble read by Christina
- Concept Three – Charlie
- Tradition Three – Tony
- Introductions
- Meeting minutes for February GSR meeting read and approved
- DCM reports
- Lisa attended Praasa, thanked the group for sending her and said it was an amazing experience.
- Keira – DCMC report
 - Keira will attend the pre conference assembly in Clearfield and give a report next month.
- Jonathon – Archivist Report
- Jim – BTG Coordinitor
 - Jim met with Christina to brainstorm on ideas for creating and maintaining a database that would be used to make bridges between inmates and patients in treatment and willing volunteers. They think it would be a good idea to explore the possibility of forming a permanent committee that could assist with making the Bridging the Gap program successful.
- Matt – Correction
 - 3 new meetings have been approved in the jail. Asking GSR's to call for volunteers from their groups to run meetings at the prison.
- Randy – Grapevine
 - Randy will be attending the pre conference assembly, looking forward to connecting with other Grapevine Standing chairs and participating in the roundtables.
- Brian – Treatment
 - Two treatment meetings desperately need support from the members. The hand of AA is not always there when the struggling alcoholic reaches out. Asked the GSR's to invite their groups to show up and support the following meetings:
 - 1st Step House Wednesday 7:00PM
 - St. Mary's Tuesday 7pm

Old and New Business for GSR meeting:

- There are currently 2 open DCM positions and 2 open alternate DCM positions. There were no takers this month, tabled till next month.
- Comment from a GSR that we should be conscious of what we put in the newsletter and perhaps air our tenth step amends for service not performed in the GSR meeting instead of the newsletter and it could give the wrong impression.
- ☺
