

April 2011

Meeting at 1625 South, 1700 East, Salt Lake City (Church, upstairs loft)

GSR Preamble

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.. We realize the ultimate authority in A.A. is a loving God as he may express himself in our group conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship. Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our groups as a whole.

"Our Twelve Steps probably won't change, the Traditions, not at all likely. But our manner of communications, our manner of organizing ourselves for function or service—let us hope that this goes on changing for the better, forever." –Bill W. 1960

Concept 3 –To insure effective leadership, we should endow each element of A.A. - the Conference, the General Service Board and its service corporations, staffs, committees, and executives - with a traditional "Right of Decision."

Tradition 3 – The only requirement for A.A. membership is a desire to stop drinking.
