

July 2011

Meeting at 1625 South, 1700 East, Salt Lake City (Church, upstairs loft)

GSR Preamble

We are the General Service Representatives. We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.. We realize the ultimate authority in A.A. is a loving God as he may express himself in our group conscience. As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience. In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship. Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak up when we have something to share, and the wisdom to do what is right for our groups as a whole.

“Our Twelve Steps probably won’t change, the Traditions, not at all likely. But our manner of communications, our manner of organizing ourselves for function or service—let us hope that this goes on changing for the better, forever.” –Bill W. 1960

Concept 6 – The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.

Tradition 6 – Our groups ought never endorse, finance or lend our name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
