Hello everyone, my name is Giulia and I am an alcoholic.

Things have quieted down a bit in the Northern part of our district after the craziness of the last few months.

I have attended several of the group's home group meetings to help out with issues of money and other issues. It seems that once a group establishes home group members, those members are not always willing to take on responsibility for that group. I am saddened by this because being of service is such a big part of our recovery. Since a majority of learning about service in AA doesn't come from the meetings, but rather from a Sponsor, it seems apparent that we have a gap in teaching new members about service and why it is so important. Perhaps that will be something to think about for the future - having a service workshop for the district focused on newcomers to both sobriety and service.

In other news, several of the meetings I have attended have had new faces: AA members – folks that have recently relocated to our area. I made sure that I spoke with each one and told them as much as time would allow about our District and local meetings in the North.

It is unfortunate but I will not be attending the Post Conference this weekend, but look forward to hearing all about the agenda items and Walter's experience at our next District meeting.

Thank you for allowing me to be of service.

Respectfully,

Giulia

April Report 2014

Previous Action Items: 3/19/14: Met With Dr. Sam Wilson spoke briefly about AA and the options available to him thru our literature representative. I Left several Grapevines in the office for his patients.

3/14/14: I met with Steve Love of Community Nursing Services and briefly spoke about the fellowship. Steve has multiple opportunities for me to meet with his staff and counselors. He was extremely receptive to speaking with me and was very open about the fellowship. I left him meeting schedules and the following brochures.

New Action Items:

4/26/14: Myself and Rachael F. (Area 69 CPC) were asked by Court Appointed Special Advocates to do a presentation @ LDS hospital on AA for their volunteers. CASA is an organization that represents children currently in the judicial system stemming from family issues. We did a brief power point presentation that I was able to get from the ~~National Office~~ and Rachael provided a literature rack. There were about 25 people in attendance and it lasted about a ½ an hour with a Q and A after.

Other items: Rachael and I plan on meeting with Steve Love from CNS and seeing how we can be of assistance to his organization.

No other new items to report.

Thank you for allowing me to serve.
