*Please forgive me
I've messed
up again.
There will
be a change*

Hello Area 69, it's me Mieshell the chair for the Pre-Conference Assembly. Remember how we had the Elks Lodge in Provo for our event well not really they over booked. We have had to change our venue to Springville Utah. This was a fast move and had to find space for us meeting our guidelines. The church has graciously offered their building, Sunday however they are busy. So we will be moving around the corner to the **Springville Senior Citizen's at 65 East 200 South**. Parking will be on 200 South or on Main Street. There is a grocery store that recently closed across Main Street to the south ½ block.

To get to the church take exit 260 off I-15 go east into the city. At Main Street turn left or North for 1 ½ blocks. Street parking is available on Main Street or on 200 South. All other events will be the same only the venue will change. Hotels are only 6 miles from the event there will be no need to change your reservation
