

**Motion:** That the Area 69 Guidelines be changed to read: “3.6 Registrar g. Updates the Area Directory after each Area Assembly. This document is for Area officer use only.”

**Current practice:** The Guidelines state: “ 3.6 Registrar g. Updates the Area Directory after each Area Assembly and distributes it to those on the Area's email list and print copies as requested.”

**Reasoning:** This document contains last names and physical addresses of past and present GSRs and other Area servants. There is a disclaimer on the document that states “THIS DIRECTORY IS NOT TO BE USED AS A MAILING LIST OR FOR ANY FORM OF SOLICITATION OR COMMERCIAL VENTURE”. There is no confidentiality statement or direction for sharing. While it is necessary to have this information as a way for the Area to contact members, if needed, we must respect the confidentiality of the members who supply this information. GSO maintains a database of similar member information for the purpose of contact by GSO, if needed, but does not distribute that information to anyone. We as an Area should follow that practice.

**Cost:** None
