

Nick, Literature, Also Central Office Manager;

Haven't seen much from AA world service in the way of literature. Right now I'm still in the learning mode from Central Office, it's like my sponsor said; "It's like having a fire hose put in your mouth and they turn it on full blast.

John H, Treatment;

Meet at Central Office on January 29th. Went over the guidelines on what to expect in trying to help Treatment Centers with Literature, Telephone Lists, Etc...Talked with Renaissance Ranch. They would like members to go in there and have a speaker meeting once a week. Haven't gone to Highland Ridge yet but working on that. I will just keep carrying the message.

Laurie, Grapevine;

I'm still in the learning mode. I had a lot of grapevines donated by the area literature chair so if any GSR's need any to take back to their home groups please get with me and I will supply you with as many as you need.

JR, Bridging the Gap;

The P.O. Box was approved at 90\$ for one full year. Last month we received three different letters, two emails and one by mail. I'm getting them responded to and finding correspondents. A female residing in SLC got the help she needed thanks to Rene H. Davis County Jail is no longer allowing inmates to receive letters except for post cards. I am looking to supply volunteers with post cards and stamps to make it easier for them to become correspondents and really focus on what we are trying to do which is help the still suffering alcoholic. Bridging the gap between their release date and their first meeting. I am updating the list so if you are on the old list please send your updated information if you are still interested and get the word out to all new interested volunteers the email is: districtelevenbtg@gmail.com

Debbie, DCM North;

I have been to a few meetings this month but getting used to the schedules along with my new job... I'm swamped. I'm asking for any help I can get. I am very much enjoying going to different meetings and meeting all the GSR's in my area. If you are having a home group meeting... Please! Invite me. I'd LOVE to come. I've been going to the Central Office meeting on the second Monday of each month where the topic has been the new website committee. We will talk later about that. I appreciate all the help...I can't do it alone. Thank you for letting me be of service.

Jolene, DCM south;

I have been super sick this month but have been able to attend one meeting with Debbie and Synda to create the agenda for the meeting this month and was also able to attend the Monday night Fly-N-High meeting at the South Davis Recovery Club. I was asked by the group's GSR to chair the meeting and introduce the topic. Mason also introduced me to the group and made me feel very welcome. Thank you Mason.

Mike, Intergroup report;

No report this month because our intergroup meeting falls after this District 11 group is held

Kristen, Area 69, Treasurer;

I get the lovely privilege of being your treasurer. I've had checks anywhere from \$2.15 to \$189.00 come in. Every time I open the envelope and every time I see the little notes inside... I can just imagine that whoever wrote the check... I can see them sending it off and having the faith that the money is going to go where it needs to go. All your groups money goes to pay for our delegate... For "your voice "to go to
